

November 13, 2017

Dear Friend,

Little Warriors is a national, charitable organization committed to the awareness, prevention and treatment of child sexual abuse. The Little Warriors Be Brave Ranch is the first of its' kind long-term treatment centre for children ages 8-12 years old who have been sexually abused. The Be Brave Ranch gives child sexual abuse survivors the essential support they need to grow into happy, healthy adults.

Children come to the Be Brave Ranch for over 200 hours of therapy over a one year period. The program starts with an initial 28-day stay at the Ranch, during which time children form close relationships with other members of their peer-group. Throughout the year, children return to the Ranch for three additional 14-day stays in order to continue their face-to-face therapy and reconnect in person with their cohort.

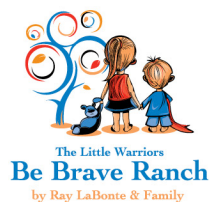

Throughout the year-long program, the multimodal therapy for children and their families run by clinical professionals includes: Trauma Focused-Cognitive Behavioural Therapy (TF-CBT), Expressive Art Therapy, Animal Assisted Therapy, Play Assisted Interventions, Peer Group (cohort) Support, EMDR and Recreational Activities.

As a charitable organization that receives no government funding, Little Warriors relies on the generosity of caring individuals and companies. In addition to monetary donations, we are in need of companies and kind individuals to donate items, equipment and services to cut down on our costs and to help keep our facility running in first-rate shape for years to come.

Help bring back the laughter and smiles to the children that attend the Be Brave Ranch treatment program. Please view the updated wish list of our needs on our website here: <http://bebraveranch.littlewarriors.ca/how-you-can-help/items-needed/>

Sincerely,

Shannon Phelan
